START LEVEL 2:

INT. DISCO NIGHTCLUB - LATER - 10:12 PM

Reggie and Kenny dramatically bust through the doors.

REGGIE

(yells)

Where is that handless bozo?

Kenny looks around and spots him. He's surprised.

KENNY

He's blazing on the dance floor!

REGGIE

That's bogue! No one has funkier moves than me!

KENNY

No Reg, he's actually blazin' on the dance floor!

Reggie looks over to a group of people dancing with cigarettes lit, and finds the zombie dancing with FOXY LADY-FRIEND, literally on fire.

REGGIE

What the... !

ZOMBIE HIGHLIGHTED.

SLAP CHOICES:

1. IF REGGIE SLAPS ZOMBIE: Reggie slaps him into an aquarium installed into a wall.

1. IF KENNY SLAPS ZOMBIE: Kenny slaps him into an aquarium installed into a wall.

REQUIRED: Reggie and Kenny must SLAP the ZOMBIE in order to continue.

SLAP CHOICES / END.

The water puts out the fire, and his body is STEAMING. Toasty.

KENNY
(to Reggie)
Can I roast him real quick?

REGGIE
Do it quick, Kenny.

KENNY
(in zombie's face)
Guess your foxy lady-friend will
finally find you HOT now. Aha, ah.

Reggie kneels down to the zombie.

REGGIE
(threatening)
Tell us about this drug you are
on, now.

ZOMBIE
(inaudible mumbling)

REGGIE
Damn, he ain't American!

Kenny kneels down towards the zombie.

KENNY
C'mon you crispy druggie. Barf it
out.

He BARFS ALL OVER Kenny. He screams, horrified.

KENNY
(blood still pouring all over him)
Ahhh! Figuratively, I meant
figuratively!

REGGIE
Kenny, these guys aren't human.

KENNY
Ya think?!

Reggie helps Kenny get up. The FOX LADY-FRIEND the zombie
was dancing with earlier runs past them.

FOXY LADY-FRIEND
Excuse me.

She looks down and kicks the zombie's body. He groans.

FOXY LADY-FRIEND

You disgusting creep! That's what you get for not keeping your gross mouth away from me, you perv!

REGGIE

This man bothered you, miss?

FOXY LADY-FRIEND

He wouldn't keep his hands off me. Til' I decided to light him along with my cig. He didn't even flinch!

REGGIE

Did you notice anything off about him?

FOXY LADY-FRIEND

He kept chanting some weird language to some creepy book over there with a bunch of other creeps. That's another red flag for me. Keep religion separate from your dating life!

KENNY

What book?

FOXY LADY-FRIEND

(points casually)

Oh, that abnormal book glowing over there.

Reggie and Kenny look over into the distance. At the opposite side of the club, there's a group of zombies surrounding a book on a pedestal, glowing green.

REGGIE

Woah... that... that colour is just UGLY. Green? Yeesh.

Suddenly, a different zombie grabs the foxy lady's neck from behind.

FOXY LADY-FRIEND

Hey, hey! Smooch from the front
loser!

The zombie bites her and she SCREAMS, horrified. Blood splatters everywhere.

REGGIE
Oh my god!

Kenny pulls his arms up to protect his face.

KENNY
(high-pitched, squirming)
Not the face!

She falls towards Kenny and he catches her. He starts hyperventilating.

KENNY
Ah... ahha... lady... ah... you
alright?

She pulls her head up, revealing herself to be a zombie. Reggie and Kenny scream confused.

KENNY
HOLY FUNK. How did you do that?!

She pushes him down, trying to bite him.

KENNY
Aaaaahhh! Reggie, help me. Help
me, my brother! Looks like she
wants Chinese takeout!

FOXY LADY-FRIEND HIGHLIGHTED.

SLAP CHOICES:

1. IF REGGIE SLAPS FOXY LADY-FRIEND:

Reggie slaps her away from Kenny. She falls to the ground.

REGGIE
I got you, bud.

KENNY

Thank you, thank you, thank you,
thank you.

2. IF NO ONE SLAPS FOXY LADY-FRIEND: Continue.

Kenny struggles to push her off.

KENNY
Get her off me! Get her off me!
Get her off me!

Kenny eventually pushes her off him, then goes on a slapping rampage, slapping her into the floor until she stops moving. He GRUNTS as he starts losing his breathe quickly.

KENNY
(out of breathe)
Sorry, hot-shot.

Kenny turns to Reggie, pissed.

KENNY
Gah, Reggie! Why didn't you help me?

REGGIE
Toughen up. You survived, that's what matters most.

REQUIRED: Kenny must SLAP FOXY LADY-FRIEND off in order to continue.

SLAP CHOICES / END.

REGGIE
I hope you brought your library card, because we are going to check out that book!

KENNY

Man, it looks heavy. Let's grab it and--

The book flies up and LURCHES forwards, HISSING.

DISCONOMICON

You imbeciles! Bow down to me for I am the book of evil, the source of horrendous power... I am... the Disconomicon!

KENNY

Holy disco! That's funky up!

REGGIE

Shut it Kenny, he just claimed he's evil.

REGGIE

Can't argue there. Regardless,
let's fold and crease this piece

DISCONOMICON HIGHLIGHTED.

DISCONOMICON

Mortal fools! You know not what
you speak of! There are forces at
play here that you cannot hope to
understand, much less contain! I
have witness the funk of forty
thousand years! Even as we speak,
there are grisly ghouls from every
tomb closing in on us, even as you
stand there, vapid before me, you
have sealed your doom! What do you
have to say in the face of your
own demise? The stars have aligned
over dead R'lyeh, and in mere
hours the Old-School Ones will
dance across your pathetic world
once more!*/
